EDUCATION

International Institute of Infomation Technology <i>Bachelor of Technology in Computer Science and Engineering</i>	July 2025 <i>Current GPA: 7.54/10.0</i>
Intermediate, Narayana Public School	Percentage: 83.4
High School, Narayana Public School	CGPA:10.0/10.0

COURSEWORK

Courses: Object-Oriented Programming, Data Structures & Algorithms, Database Management System

TECHNICAL SKILLS

Languages: C/C++ , Java , JavaScript , HTML/CSS,
Libraries/Frameworks: BootStrap , Nodejs , ReactJS , Expressjs
Database: MongoDB,Mongoose
Architectural Style: RESTful API
Soft skills: Data Structures and Algorithms, Problem Solving skills, Adaptability,Self-learning, Hard Working, Time Management

PROJECTS

Portfolio : <ul style="list-style-type: none">• portfolio project is a dynamic web application developed using the MERN stack• It features a responsive user interface built with React, offering an engaging user experience.• The backend, powered by Node.js and Express, handles RESTful API requests, serving data stored in a MongoDB database.	January. 2024
Food Ordering App : <ul style="list-style-type: none">• food ordering platform, developed with the MERN stack, offers a seamless online ordering experience for users• Utilizing React for a dynamic and responsive frontend, customers can easily browse available food menu item including Starter,biryani/rice,pizza etc along with their prices and add to cart button• This project implements a secure login/logout system on the backend using Node.js and Express for authentication and session management	May 2023
Weather-App : Visit Website <ul style="list-style-type: none">• weather app, developed with HTML, CSS, and JavaScript, provides real-time weather information based on user search input city.• Integrates with OpenWeatherMap API to provide accurate weather information to users.• Users can easily switch between Celsius and Fahrenheit units for temperature display.	March. 2023
E-commerce DashBoard : Visit <ul style="list-style-type: none">• This app is developed by using MERN Stack.It provides the features like add product,search product with the log/logout authentication	November 2023

ACHIEVEMENTS

Leetcode Badge : <i>awarded with leetcode 50 days and 100 days badge</i> 🏆	Dec. 2023
Geeksforgeeks weekly coding contest : <i>Secured a monthly ranking of 1127</i>	Feb 2024
Leetcode rating : <i>1453</i>	Feb 2024
